About our conference

1ST INTERNATIONAL CONFERENCE ON APPLICATION FRAMEWORKS 2021

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Donec quis viverra lacus. Morbi feugiat turpis ex, quis tempus arcu sagittis at. Aenean dapibus arcu ligula, et laoreet mauris lobortis eu. Vivamus vel finibus ex, et dapibus leo. Phasellus nec erat lacinia, faucibus nulla non, sagittis urna. Donec eget arcu eu lorem imperdiet ultrices aliquam non purus. Nam suscipit magna sit amet ligula fringilla maximus. Nulla hendrerit sapien ut arcu pulvinar dapibus. Nulla porttitor ipsum neque, vitae vulputate augue ullamcorper at. Nullam eu mauris nec libero commodo vestibulum. Aenean hendrerit suscipit rutrum. Mauris tristique ultrices facilisis. Nam quis laoreet risus, consectetur semper lorem.

[LEARN MORE](#)

Our project is developing a Conference Management Web Application for International Conference for Applications Frameworks – 2021. The application comprises with below functionalities.

1. Users can view conference details, workshop details published by Workshop Presenters and research papers submitted by Researchers. But cannot attend to workshop without registering as an attendee.
2. Users can register as a Researcher and publish their research papers to the system. But they must pay an upfront of \$100 per research paper registration.
3. Users can register as a Workshop Presenter and publish their workshop proposals to the system. They no need to pay any upfront.
4. Users can register as an attendee to the system but for that, they need to pay an upfront of \$15 per registration. After registering, they can view research papers submitted by Researchers and can attend to the workshops conducted by Workshop Presenters.

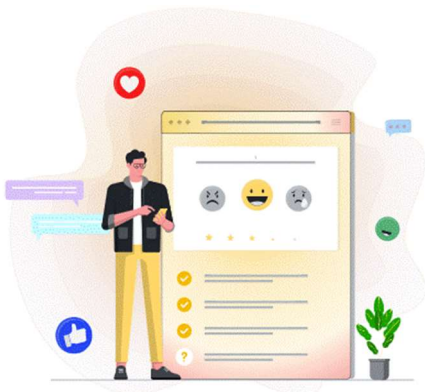

Chapter 2. Stakeholders of the system.

Password: - admin

Dashboard Walkthrough

A screenshot of a dashboard titled 'Researcher/reviewer-approveds'. On the left is a sidebar menu with items: 'Researchers', 'Workshop', 'Presenters', 'Conference Topics', 'Attendees', 'Editors', and 'Reviewers'. Red arrows point from these labels to their respective items in the menu. The main content area shows a table with columns: 'Id', 'Full name', 'Email', 'Mobile no', 'Approval Status', and 'URL'. There is one row of data for a user named 'Nayanthara'. To the right of the table are buttons for 'VIEW', 'APPROVE', and 'REJECT'. At the bottom right of the table area, it says 'Rows per page: 10' and '1-NaN of NaN'. In the top right corner of the dashboard, there are two icons: a circular arrow (Refresh) and a person icon (Logout). Red arrows point from the labels 'Refresh' and 'Logout' to these icons.

Functions.

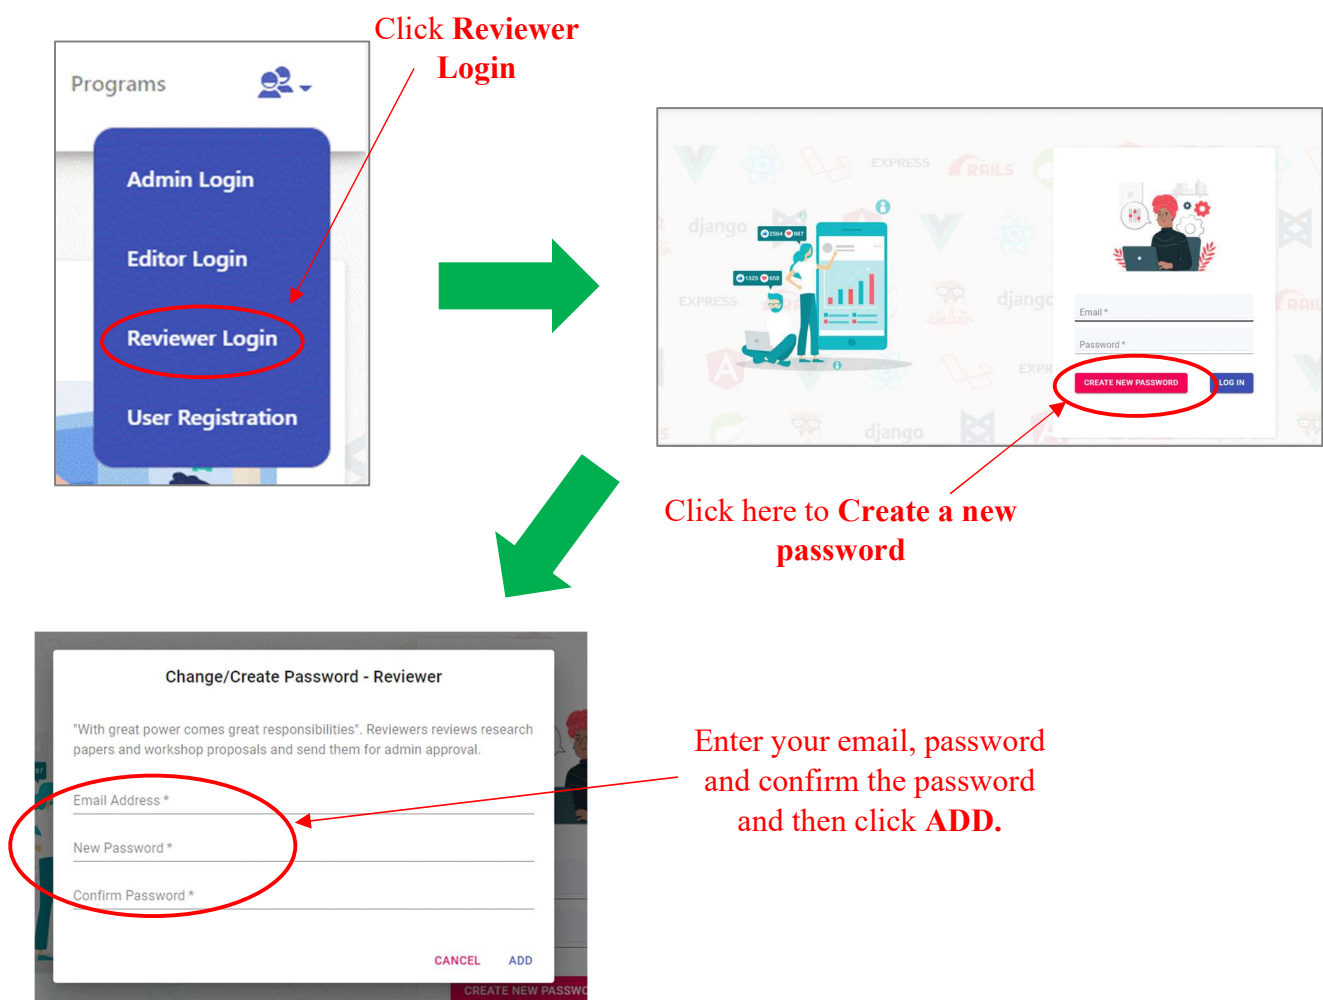

Admin can,

1. **Register** New Reviewers (account password excluded).
2. **Register** New Editors (account password excluded).
3. **Approve** and **Reject** Conference topics added by Editor.
4. **Approve Research Papers** which are approved by Reviewer.
5. **Reject Research Papers** which are approved by Reviewer.
6. When research paper is approved, **email is sent** to the researcher stating that the research paper is approved.
7. When research paper is rejected, **email is sent** to the researcher stating that the research paper is rejected, and **refund** will be issued.
8. **Approve Workshop Proposals** which are approved by Reviewer.
9. **Reject Workshop Proposals** which are approved by Reviewer.
10. When workshop proposal is approved, **email is sent** to the presenter stating that the proposal is approved.
11. When workshop proposal is rejected, **email is sent** to the presenter stating that the workshop proposal is rejected.

Chapter 4. REVIEWER user guide.

How to register/login?

Registration part of the reviewer is done by Admin. But after registering, reviewer should create a new password to login. Here is how to do.

After that, click enter your email and newly created password in the email and password field in login page and click **LOG IN** to login to your dashboard.

Dashboard Walkthrough

The screenshot shows a web application interface for managing researchers. At the top, there is a blue header bar with a hamburger menu icon, the text 'Researchers', and icons for 'Refresh' and 'Logout'. On the left side, there is a sidebar with a hamburger menu icon, the text 'Researchers', and a link 'Wspresenters'. The main content area displays a table of researchers. The table has columns: 'Id', 'Full name', 'Email', 'Mobile no', 'Approval Status', and 'URL'. The first row of data shows a researcher with ID '6d215f3e-642e-4775-9007-d350b5a10db3', Full name 'Nayanthara', Email 'nayana@gmail.com', Mobile no '0763254895', and Approval Status 'Approved by Reviewer'. To the right of the 'Approval Status' column, there are three buttons: 'VIEW', 'APPROVE', and 'REJECT'. Below the table, there is a 'Rows per page' dropdown set to '10' and a '1-NaN of NaN' indicator. The URL at the bottom left is 'localhost:1234/reviewerDash#/researcher'.

Annotations:

- Researchers
- Workshop presenter
- Refresh
- Logout
- Views the research paper/proposal
- Approve button
- Reject button

Functions.

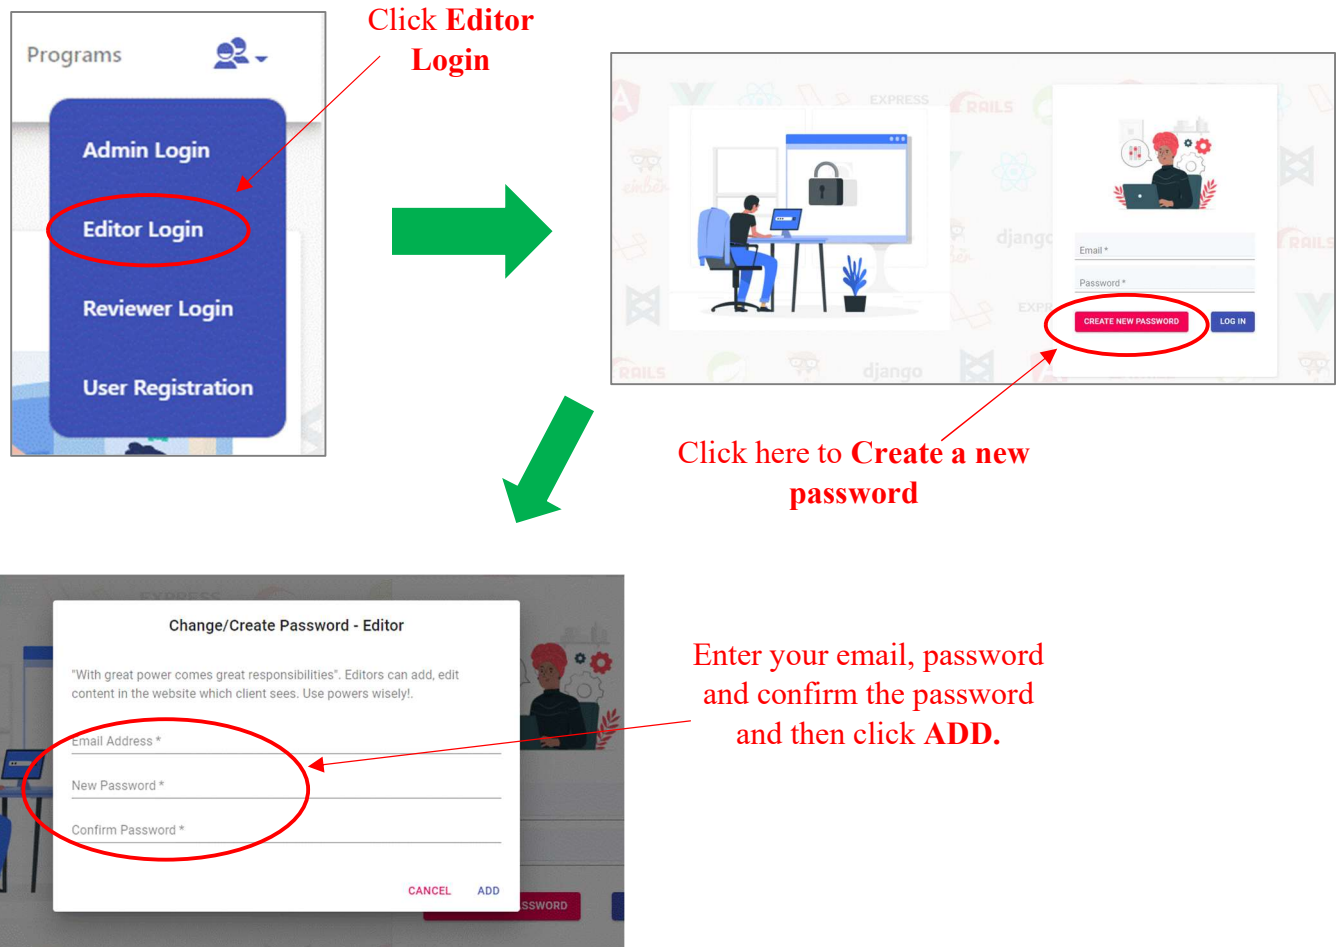

1. **Approve** research papers published by Researchers. (Update the status as **Approved by Reviewer** and send it to Admin)
2. **Reject** research papers published by Researchers and deletes it from the system.
3. Once the research paper is rejected by Reviewer, an **email is sent** to the Researcher stating that their research paper got rejected and refund will be issued.
4. **Approve** workshop proposals published by Workshop Presenters. (Update the status as **Approved by Reviewer** and send it to Admin)
5. **Reject** workshop proposals published by Workshop Presenters.

6. Once the workshop proposal is rejected by Reviewer, an **email is sent** to the Presenter stating that their research paper got rejected and refund will be issued.

Chapter 5. EDITOR user guide.

How to register/login?

Registration part of the editor is done by Admin. But after registering, editor should create a new password to login. Here is how to do.

After that, click enter your email and newly created password in the email and password field in login page and click **LOG IN** to login to your dashboard.

Rows per page: 10 1-NaN of NaN

Functions.

1. **Add** approved research papers to the frontend.
2. **Add** approved workshop proposals to the frontend.
3. **Edit** published research paper details.
4. **Edit** published workshop proposal details.
5. **Delete** published research papers.
6. **Delete** published workshop proposals.

7. **Add** conference topics to the frontend. (Must be approved by admin).
8. **Edit** conference topics.
9. **Delete** conference topics.

Chapter 6. Researcher user guide.

How to register/login?

Researcher can register to the system to submit their research paper. But they must pay an upfront of **\$100 per paper** to submit the research paper. Then the research paper should be approved by both Admin and Reviewer. If it got approved, an email will be sent to the researcher. If it got rejected, then an email will be sent to them stating that it got rejected.

Welcome. Want to be a Researcher? Register below.

We are glad you to be a part of our conference. Welcome and we would like you publish your valuable research paper below. Make sure to upload your research paper to cloud storage (Google Drive, OneDrive etc.) and make it accessible to public. Then paste the link below. Enjoy the conference.
